Dear Eric:

I am enclosing herewith the first part of the draft covering early silver dollars 1794-1804. Any comments, corrections, suggestions, criticisms, additions, or anything else, would be very much appreciated!

The ideal thing to do would be to return a particular sheet (or xerox copy of it) with the criticisms marked on it. In that way I can enter it directly into my computer storing the manuscript. A self-addressed pre-paid envelope is enclosed.

Additional copy representing the individual listings of die varieties, etc., will be ready soon and will be sent separately.

Thank you for your interest and help.

Sincerely,

Q. David Bowers
